Cost for managing your Support at Home package

Service	Unit	Rate
Care management	Hourly	\$140.00

For most Support at Home services, 10% of your funding allocation is set aside for 'care management'. You are not charged this rate separately. LDK claims the cost of the care management services we provide from this set-aside funding.

For End-of-Life services, LDK claims the cost of care management from the funding allocated for this service.
